

CACFP NON-PRICING POLICY STATEMENT

Reston Children's Center is a non-profit organization that operates a "non-pricing" program. This means that there is no separate charge for meal service, all participants receive meals at no extra cost regardless of their eligibility category, and meals may not be included as part of a center's or home's tuition expense. Current income eligibility documentation will be maintained for all participants claimed for free and reduced-price meals and meal counts will be taken at the point of service.
